JANET & BOB HADELER, JUNE 17, 2021

Uncle Allen was my youngest uncle and the last survivor of the seven Barnes siblings these last ten years. As a young girl, I thoroughly enjoyed his Ohio visits and have many good memories. I loved their visit when I was twelve and they stayed with us in Dayton, Ohio during their wedding trip tour through Ohio, when I met my new aunt for the first time. She was so beautiful, and so Southern. I was in awe. I am happy for their long good life together.
