Memorials

To Renee and Steve, For some reason I just started thinking of my "Aunt Anita" and decided to enter her name on my computer to see if I could locate her. This is the site that finally matched the right Anita Berger. I am so sorry for your loss. I always thought she was the closest to the memory of my dad. She sounded the most like him with the same sense of humor. I will always

remember her as a great lady and a wonderful aunt. If by chance either of you read this, please get in touch. We shouldn't have let family members lose touch. I guess getting older makes me realize how important loved ones are.

Your cousin, Robbie
