Barshia set an example we can all learn from and should follow. Keep sight of what's important in life. We were all better for knowing Barshia and we all share the pain in seeing her depart for now. Keep in mind, it's only temporary. Her smile and her attitude towards life was infectious to all who were fortunate enough to have spent time with her. Aycock and Love family, your lives were truly blessed to have spent the time with such an impact player like Barshia. Let her love and memories keep you strong until you meet again. Love and Prayers, Todd, Angie, and Mason Ewing

Having recently lost someone close to me, I understand the grief that accompanies that loss. Please allow God to lead you through this difficult time. He will never forsake you. Lasca Mallow Moses

I've known Barshia since we were kids. Her grandparents Vera & Otis Humphries lived across the street from us and my sisters and I would go over on Sunday and play "hide & seek". My grandparents owned Judd Grocery in Culleoka and my mom said she liked my grandfather and would climb up in his lap when they went to the store. I will always remember Barshia's bubbly personality and her laughter. Now I get the the previledge of working with her beautiful daughter Wendy and I see so many of the wonderful traits Wendy inherited from her mom. Barshia will always live on thru her 3 beautiful girls. I will miss her very much. May God Bless You. Tena Gilbert
