Bobby was a wonderful mentor to me when I taught with him at Armstrong MS in Plano. He always believed I was a talented teacher and really helped to

build my confidence in myself as I began my career. Such a good man and a good soul. Love you, Coach!

CATHY DIGGS, APRIL 22, 2015

Bobby Agers was our son's football coach many years ago at Armstrong Middle School. He was a kind man who really cared about those football players and his students. We still talk about him occasionally at family gatherings. Brian was very fond of him. He was a good man. He cared for many kids over the years. Now Bobby, you will be the angels' coach and the best they've ever had! Prayers are with Linda and your family. Fondly,

Mr. Agers was one of my favorite teachers who always had a smile and was always happy. I'll never forget that smile or laugh. He is amazing and will forever live on in our hearts. I know he's in heaven with the angels.

Uncle Buck, I will miss you so much. I loved the times when we watched movies together and passed the time during the weekends. Every moment will

not be forgotten. You always made me laugh with your funny comments but you could be serious at the same time. You will always have a special place in my heart. I love you, Uncle Bucky!

SUNI MONTENEGRO, APRIL 21, 2015

Bobby Ager was my brother, as well as my best friend. We went through many things together growing up but we always stayed strong. God said he wouldn't put no more on us than we could stand. Even though he has left us now, we will one day meet up with him on the other side. He was an awesome teacher that went the extra mile with all his students. We love him dearly and proud to call him my brother..

SUE ANN HUDGINS, APRIL 21, 2015
