## Memorials

*To my beautiful sister, you are an angel in heaven now I'm still lost for words, I can't believe you're really gone. I will never hear your laughter, and voice. I'm going to miss our little text messages to each other. I thought we had more time. You will always be beautiful and young. God called his angel home, and I have to except that. But one day we will all be together again. You are and always will be my big sister. I miss and love you so very much.*

*My dear friend Brenda; I don't even know what to say, I couldn't believe god called you home so soon. I am still in shock and I still think that you are here and you are going to call me and ask how your PaPi CHULO is doing... You*

*have touched so many life's by your smile and laughter. You will always be remembered and always have a special spot here in my heart. I love you my dear friend.. We will meet again one day soon, but until then make sure you keep on smiling and laughing in heaven until I get there with the Apple Martini's!*
