**JEREMIAS NIVAR, APRIL 19, 2017**

*Last night I was speaking to my children about Bryan. We are on vacation in a small town in the north of Spain about 100 miles from Barcelona where we live. I found myself crying which surprised me and my family because they had never heard me speak of Bryan ever before. As I was speaking about this friend from so long ago, I told them about his kindness and openness to all who came near him. If you met Bryan you were sure to get a smile that came from his heart and his eyes. He had the gift of making all those near him feel at ease and accepted. I would even say he was a father figure even at his young age. I know his family must miss him terribly. Yet I know I will see him again and in this I am encouraged. Rest in peace my friend.*

*We are so grieved to hear of Bryan's passing, but we rest in the comfort of knowing that he is present with the Lord at this very moment. Bryan was a special friend to us and we will forever hold the wonderful memories we made while attending ORU together and then working together at TAASC. Bryan was the most joyful person and always had a smile on his face and witty comment to make. He kept us laughing all the time! We certainly missed him when he moved away from Tulsa to live in Texas! We wish we could make it to Texas for his service, but please know our hearts, thoughts, and prayers are there with you as you grieve the loss of this oh so special man!*

**GEORGE AND KARMEN VALVERDE, APRIL 9, 2017**

*It's so sad. My prayers are with you all.*
