Memorials

Butch was such an outstanding person and family man. He was also at the top of his game in his chosen profession as a farmer and businessman. His loss will be tough on everyone who knew him, but we find comfort in knowing he is in a better place. He was loved, admired and respected by so many and will be greatly missed. We are extremely honored to be a part of his extended family.

Love, Steve & Dianne

STEVE AND DIANNE O'BRIEN, AUGUST 7, 2021

Butch was a true friend and will be missed. He would come up to the office when Wendy worked here and get a cup of coffee and talk for the longest time about his family and grand kids. He would ask me how many grand kids did I have now. (not wanting me to pass him.) Butch was a friend to all I will always remember his bubbly personality and his ability to make everyone feel special. My prayers go out to the girls who he loved so much, the grand kids and Jennifer.

ED MAXWELL, AUGUST 4, 2021

Butch was a good friend of my older brother, Robert. They would help each other out with farming issues. Growing up good times along with several New Year's parties were shared. Butch would always return my phone call to share his thoughts. Robert & Butch meet Jesus within 4 months of each other less than one week after they turned 69. I want to believe they are working enjoying nature in heaven today along with seeing loved ones. My love with thoughts of comfort to the girls and family.

Butch was the sweetest, kindest person you would ever want to meet. He was an inspiration to many and would not hesitate to step up and take care of whomever may have needed the help. It was a privilege to get to know he and his family over these years of working with him at Farm Bureau. His service as a board member was outstanding, he shared so much knowledge of how he got where he was in farming, family and life. He will be sorely missed by all who knew him. SHERRY WARREN, AUGUST 3, 2021

I am a childhood friend of Butch's and haven't seen him since the summer of '73. My folks, Larry and Georgia Lacy, lived in Melissa for years and would keep me apprised of happenings mostly through their friendship with the Love families. I never think of Butch that I don't smile or laugh out loud. Sometimes I would ride along on the tractor with him in that hot Collin County sun, laughing and making fun of each other. We discussed all sorts of "important" issues on the tailgate of his truck over a couple cold ones. He was always smiling,

always kind. An extraordinary human being. My most sincere condolences to his family; they are in for some rough days. May they find peace and solace with one another.

MARIE LACY COLE, AUGUST 3, 2021

JOANNA COPELAND SHROPSHIRE, AUGUST 1, 2021

Prayers to all of the friends & family during this time. What a wonderful christain life you lived. From the little white mustang to that huge John Deere tractor on tracks pulling a huge tandem over by the airport! You knew how to make it happy. You're a prime example that knowledge is power. You helped numerous folks when they needed help. And you always did it with a smile on your face. Whatever the challenges were you made the best of it & kept moving forward. All of the years of knowing you, whenever I saw you, one of two things happened while we cut up & visited. You picked my brain & always made me think or it was like you gave me homework & the next time you saw me you expected me to tell you the answer. So every year at the beginning of school I ask every single ag mechanics student the ultimate question! How many seconds in a year? Thinking of you & laughing inside. RIP Butch until we meet again.

WALTER HAMM , AUGUST 1, 2021

I met Butch in '99 when I became his neighbor. He was always so kind to teach me whatever I would ask about "country" living. We will miss him greatly.
