*May 15, 1942 - June 7, 2021*

Claude "CR" Ronald Mostyn of Allen, Texas passed away June 7, 2021 at the age of 79. He was born on May 15, 1942, to Clarence Russell Mostyn, Sr. and Dora Dean (Smith) Mostyn in Raymondville, Texas. Claude attended Texas A&M in the 1960s before he joined the United States Air Force and proudly served his country for 4 years. After his service, he went back to Texas A&M and graduated with a Bachelor of Science degree. Claude worked in the Harpoon Division at Texas Instruments as an electrical engineer for 25 years before moving to Raytheon. CR worked there for 10 years before retiring. Claude coached his kids' softball and basketball teams. CR was a member and a large part of the First United Methodist Church in Allen, Texas. Claude helped out with the kid's bible study and helped out where he could at the church. He loved history and especially his family's genealogy. Claude was a big help to his family by taking care of the different parts of the house when they needed repairs. CR loved his immediate family as well as his nieces, nephews, grandnieces and grandnephews, and other family members. Claude was dedicated to his "ROMEO's" lunch group. Even during Covid times he made sure everyone stayed connected, whether meeting in person or virtually through Zoom. Claude always looked forward to the yearly meeting of the Mostyn men at the Deer Camp. CR loved his family, God, learning, reading, and educating himself about several subjects.

Claude is survived by his wife, Sheryl Mostyn of Allen, Texas; daughters, Jennifer A. King and husband, Mike of Dallas, Texas, Amy Jackson and husband, John of Lindale, Texas and Shanda Mostyn of Whitehouse, Texas; son, Colin Mostyn of Allen, Texas; grandson, Chase Walker of Lindale, Texas; sister, Dorris Roberts of Lorena, Texas; and by numerous nieces, nephews, grandnieces, grandnephews, as well as family and friends.

# Memorials

*C.R. and I served in the Air Force together for nearly four years. We were missile guidance technicians . C.R. was a dear friend, very fine soldier and someone I looked up to. We were discharged in the summer of 1968 but I have thought of C.R. frequently. C.R. knew me as Smoky. I wish to offer my condolence to his family.*

*I am sad to hear of CR's passing. He was one of my bosses at TI / Raytheon and was always very supportive and helpful. I pray his family may find peace and hope in the midst of grief.*

TROY SIMS, JUNE 25, 2021

*CR was a friend and life coach to everyone that met him. I only directly worked with him for about 5 years, but it made a lifelong friendship. I remember of some conversations with him considering the latest Dilbert'ish situations that normally arise in the workplace, followed by a logical solution. His final assessment was often "but that is not how people think," followed by chuckle or laughter. That always put the situation in perspective. He will be missed by all that knew him. I hope the best for his family.*

*It was an absolute honor and privilege to know and love your dad. He was such a huge part of my childhood, and this news was so sad to hear. I will be thinking of all of you in the days and weeks to come. Prayers for peace and gratefulness for a life well lived. XO, Mallory*

*CR was and is a wonderful friend. Although he is absent from his earthly body, he is present with the Lord which is promised in 2nd Corinthians 5, 8 for those who know the Lord. We know that one day CR will be there to greet us and reunite our friendship and this gives us comfort. He loved the Lord, his family and friends and lived life to the fullest. He will be missed by us and all of his*

*friends.*

*So sorry to hear of your loss. I worked with CR for 16 years on the Harpoon and Tomahawk program. He was a very positive and great guy to work with. I really enjoyed attending the weekly lunches that he kept arranging.*
