DENICE BURNSIDE WEBB, OCTOBER 31, 2010

Remembering the summer days in Rowlett running around that screened in porch chasing each other. The old red/rusted pedal car that we pushed each other in. The storm cellar where we all headed when the weather was bad. Summers with four barefooted, happy kids growing up with no worries. Winters huddled in the kitchen around the stove while Aunt Mae cooked dinner. Having Grannie threaten us with her razor strap and Uncle Jim promising to swat us with his cap. And if there was a bit of snow, Uncle Jim hitched Dolly or Pat up to a homemade, flat wooden "sled" and we all got to go for a sled ride. Oh we loved it and would be all wrapped up. David had a cap with ear flaps I believe. A lot of memories. Funny how things forgotten seem to pop up at such times as this. Driving from Rowlett to Princeton to church in that Chevy. Aunt Mae making a pallet for the sleepy children during services. Simple days and loving times.

Charlene and girls - Ronnie has known David a lot longer than I; he tells the story of being at the Blue Ridge Rodeo and David pulling his shoot behind the behind the bulls. But we have known you two for 31 years and such a great family. David was a great man, husband and father and now a grandfather. I am so sorry for your loss, and what a great loss it is and will be for a while. Take care of each other and know that David is in a far better place. May God wrap you all in his coat of many colors and hear your cries until you can cry no more. We love you all - Terri and Ronnie Parks
