*I am glad I was able to come in over the weekend but wish I could do more. Though your precious son has been taken away, one thing hasn't, "memories". The memories you have of David are yours to treasure always. I love you my dear friends and I continue to pray for you daily.*

*To Chris, your parents, and your family I am so sorry for your loss. I haven't seen Newby for a long time, but back before we went our own ways I was with Newby all the time. He always had something funny to say or a smile on his face to cheer me up when things weren't going so well. I will never forget the times we shared and the memories that I have of him. I can't imagine the pain your feeling right now, but I know he is watching over all of us. I miss him very much. Chris, Deborah, Lyall, and your family are in my prayers every night, and my heart goes out to all of you.*

*Although we never got to meet you, your son David was a good friend to our daughters Rachel and Erica and was at our house often as these kids were growing up. He always had a smile and a hello for us (the parents). Unlike some of the friends who came and went, he always chatted for awhile and made a lasting impression as a good kid. We know that he was always a good friend to our girls as they lived through the ups and downs of those adolescent years. We had'nt seen him in a few years but are very saddened by his untimely passing. Our thoughts and prayers are with you and we will always think of him and his smile. Sincerely, The Plante Family*
