## Memorials

*What can I say? I was and still am at a lost for words. You were my friend but we were related by Select. You were my "Mother Hen" always there for me. I cried to you. I confided in you. I laughed with you and cried with you. Yet, you never judged. We were in the trenches together. Yet, you were always calm and positive. I was talking about you yesterday and I said, " I truly believe*

*Diane was an Angel, my angel because in all my bad and good it was you that helped me through it." Kyan asked about "the Skittles Lady" when he heard I was back at Select and it broke me to have to explain to him that one of our angels is now resting in heaven. I love you and you will be truly missed.*
