Love you guys

DAVID WRIGHT, JANUARY 29, 2021

I can't believe you are gone. I loved you and there is much I need to come to terms with. But in looking back at all the memories we shared, there is one outstanding moment that I always hung on to. When I was about 7 and Mick 10 we drove from Merced to Bakersfield for Christmas. Before we left Merced mom had told us that all the extra money went so we could spend this time with you, your family and grandma who drove from Redlands. When you found out that Mick and I would have no presents to open, you went out Christmas Eve with the lists we had given mom weeks earlier and got everything on our list. I don't know if you knew I had always known it was you who made that Christmas magical for me, but you did and I have never forgotten that. Hey don't you and mom cause to much trouble tell her and grandma hi for me. Love Terri
