She had such a sweet spirit about her! I used to love hearing her stories in Relief Society! She will be missed !

I first met Dora & Karrina on the set of the film "The Mountain of the Lord". From that day forward I had such dear friends that always made me feel like I was family in their home. We had such wonderful spiritual experiences and some silly times as friends. Dora & Kevin even helped me with my student film by being in it. We filmed it on the BYU studio set. Dora loved film and being part of productions. When Dora & her family moved to Texas, I gave them a picture of a temple because I felt such a special feeling in their home. Their home reminded me of a temple and for all it stands for in their life. I remember how she would set an extra place at the dinner table just in case someone came by during dinner. She always opened her home up to others in love. She treated her friends like family. That is exactly how I felt. I remember the after dinner testimonies in Dutch, German, Spanish etc. These memories & friendships will never be forgotten. You have a beautiful angel watching over you. Love to you & your family. My thoughts & prayers are with you & your family. To love deep is to feel deep. Love, Sandra

Kenny, hearing about your loss has deeply saddened me, but I know that this is far from what you are going through right now. You are in my thoughts and prayers. My heartfelt sympathy goes out to you and your family.
