I will miss the phone calls. The one cousin on my dad's side of the family that I had contact with. The occasional visit we had as I passed through Plano on my way to my daughter's in Arkansas. I still have the memories of when we were kids and met at Grandma's at Christmas. You were a very special person. You will be missed. I know heaven is rejoicing to have you. I know I will see you there one day. Lois

MICHELE PRICE, NOVEMBER 2, 2008

Howard: You have our deepest sympathy and prayers. Just remember the words of the song that says. She will be waiting on the far side banks of Jordan, she'll be sitting drawing pictures in the sand, and when she sees you coming, she will jump up with a shout and come running through the shallow water reaching for your hand.
