*We were so very sorry to hear of Dorothy's passing. I remember conversations with her when I was younger. She was a kind person and she was there to*

*listen when I needed someone to talk to. I know she will be sadly missed by all.*

*Aunt Dorothy was so warm, kind and loving. I have such fond memories of having great conversations with her. She will be missed by all that loved her.*

**SCOTT TENNANT, DECEMBER 8, 2020**

*Dorothy was a great sister and a great friend. I pestered and teased her a lot growing up as any little brother is supposed to do. She always took my pranks with ease and grace. As we grew up, we continued to be close and loved each other through good times and bad. There were times we had to live through droughts, loss of our home, loss of loved ones and other tests of character and she never complained but was always there helping shoulder the load. I think the best description of Dorothy was kindness. I never heard her say an unkind word throughout the eighty years I was blessed to be her brother. I am positive she has a special place with Heavenly Father as she lived the kind of life the rest of us will struggle to copy. I will miss her and her warm greeting of, "Hey little brother!"*

**JERRY TENNANT, DECEMBER 8, 2020**

*Always a great friend who, like her Mom, was a good listener, sharing positive thoughts. We very much enjoyed the visits. We send the best of sympathies to the Bruce and Tennant families.*

**LES & MARTH MADISON, DECEMBER 8, 2020**

*Lots of fun times with the Tennant family and all of the Bruce's.*
