We loved Dwight as part of our family. We will all miss him. Lei looked to him as a grandfather and I won't know what to do without him giving me a hard time

for mowing when it's so hot! What a precious man.

Melba and family, Juiquitta and I are so sorry for your loss. I always enjoyed spending time with Dwight and talking about the old days. He was indeed a great man and good friend. He is at the right hand side of the father now and feeling no pain. We will miss him dearly. May God grant your family peace and serenity in your time of grief. We love you, Randy & Juiquitta

When I think of Dwight, I remember going to the Methodist Church in Princeton when I was visiting Mother and Frank. He always greeted all of us and loved his wonderful smile. Dwight was good to our family. God bless him and his great family!
