BRIDGETT BELL, SEPTEMBER 8, 2021

Oh my dear Eddie!!!! I miss your face, your touch, your laugh, your smile, your smile, everything! I don't know why God chooses to take the absolute best people, but for some reason he needed you. You are a chosen one! And I'm so glad that I will have you as my guardian angel also! I am covered in prayer! I'm OK baby, we will be OK. You would not want it any other way! I'm not completely OK with that just yet, but I know that you will give me the strength to carry-on and be the best mom and daughter-in-law that I can be! I love you to the moon and back! I know you're dancing with MORGAN and your mom!!
