Steve - Just wanted to send my sympathy to you and your family.

BETH BACON MOELLER, JUNE 22, 2006

Ed has been taking care of our Lucas family since the early 50s. He was a great gentle giant. Before he was married he dated my cousin. When he would come to the house, my grandmother loved him because he would come to the kitchen table, eat lots of dinner and talk with her, Mrs. Lucas. He and Kaylei delivered everything from prescriptions to Elizabeth Arden perfume to candy bars to Unk Tully B. We remember the white "stomach" medicine and the nasty cough syrup that actually worked. He helped many people in East McKinney as well. God bless your family on your loss. He will be greatly missed.

So sorry to hear about your loss. Remember all the good times God allowed you to have with your father. I thank God for him because he played an important role in the lives of many people throughout the years in the Black community in the city of McKinney and all the surrounding areas. He was always giving and felt that everyone deserved a chance as a human being in this mean old world. May God continue to Bless you and keep you in his care.
