Memorials

My time with her was short in her 93 year journey but an endearment that I will

cherish. We hugged, we laughed and simply enjoyed each other. She loved her family with all her heart. She will be greatly missed. Rest In Peace.

Little Grandma will be deeply missed. I will remember her for so many things. For the playful greeting we would always give each other and for the fierce LOVE she had for her grandchildren and great-grandchildren. They loved her and she truly exhibited true joy when she was able to spend time with them. We rejoice that she is now with those she lost. She is in no more pain, has no sorrow, is experiencing pure happiness and will be taking care of us from above. Rest in Peace, Little Grandma... We love and miss you. Bill, Amy and Jackson
