Memorials

*Was doing some research and saw this. I thought I will leave a message even*
though he passed 12 years ago. I worked for Mr. Woods at the Shoe Store in Parker Square in 1981 and 82. He had come out of retirement to help run the store for about a year or so. I was very young and inexperienced yet he was always patient with me. He used to tell me stories about his father’s shoe store in the Historic Downtown Wichita Falls. He would hand out paychecks on Saturday and then he would cash mine because the banks were closed on Saturday. I thought both he and his wife were wonderful people. Reading the obituary brought back some good memories. May he rest in peace!

I did not know Mr. Wood but because my cousin Helen, his daughter-in-law spoke so often of him I feel that I know him as a man of humor, wit and warmth. Owanah Anderson

OWANAH ANDERSON, AUGUST 23, 2004

I never met Mr. Wood, however, my friend Helen always talked about what a wonderful and kind man he was. He will be truly missed. My thoughts and prayers are with the family. Bless you all.

JANE COE, AUGUST 21, 2004

Sorry that we did not get to meet Mr. Wood. He must have been a fine man from all the good words my Cousin Helen had to say about him.
