Jerry, I had only known your Mother since I moved to the Turner Apartments in August. Just in that short time, I got to appreciate everything about her. I loved her quick wit and marveled at her knowdedge and interest in so many topics of discussion. I will miss seeing and being with her every day. My prayers and thoughts are with you and your family.

WOODY VANN THOMAS, JANUARY 18, 2004

My father, J.T.STover, lived at the Turner for 4 years and that is where we all met Etta in 1999. She was the 'hostess' for the Turner, always making sure everyone felt welcome and comfortable and she always made my father feel like he was 'home'. She was always smiling and happy, tho her health was poor. She had more energy than women half her age! She never said an unkind word and just being around her would cheer up the lowest spirt. After my dad's failing vision made it nearly impossible for him to join in the domino and bingo games at the Turner, Etta insisted he 'come on down' and she made sure he made the proper moves, even convincing him he had won games on his own. She always made everyone feel important and included and part of the family at the Turner. And for that I will always be grateful to her and remember her as a beautiful, gracious lady.
