The little moments I had to visit with Howard was a most beautiful experience.

MARCELLO GIORGETTI, DECEMBER 28, 2018

We both loved Howard and all his wisdom. He had so many interesting memories and experiences while working abroad and especially in Iran. He loved the Iranian people and we have heard of all his beautiful memories from there. He always had only good things to say about everyone he met. I am sure his children can share their wonderful memories about growing up abroad. Howard was very active in the Christian Science church in Plano and very devoted to his responsibilities of helping with the infrastructure. We will miss him greatly but our memory of him will be with us forever.

VICKY AND MARCELLO GIORGETTI, DECEMBER 28, 2018

Howard was a most kind and interesting man. I always enjoyed talking to him and hearing his stories about Janeen and his life in the Middle East. I think the best thing you can say about someone is this: He was a good man in every way.
