*We will keep you in our prayers... God Bless & Keep In Touch - 2520
Glenwood San Angelo, TX 76901 We'll always cherish the great times we had together & all our memories... "When Tomorrow Starts Without Me" When tomorrow starts without me and I'm not there to see If the sun should rise and find your eyes all filled with tears for me. I'll wish so much you wouldn't cry the way you do this day While thinking of the many things we didn't get to say. I know how much you love me as much as I love you And each time that you think of me I'll know you miss me too. But when tomorrow starts without me please try to understand That an angel came and called my name and took me by my hand. And said my place was ready in Heaven far above And that I'd have to leave behind all those I dearly love. But as I turned to walk away a tear fell from my eye For all my life I'd always thought I didn't want to die. I had so much to live for so much yet to do It seemed almost impossible that I was leaving you. I thought of all the yesterdays the good ones and the bad I thought of all the love we shared and all the fun we had. If I could relive yesterday just*

even for a while I'd say goodbye and kiss you and hope to see you smile. But then I fully realized that this could never be For emptiness and memories would take the place of me. And when I thought of worldly things I might miss come tomorrow I thought of you and when I did My heart was filled with sorrow. But when I walked through Heaven's gates I felt so much at home When God looked down and smiled at me from His great golden throne. He said, "This is eternity and all I've promised you Today your life on earth is past but here it starts anew. I promise no tomorrow for today will always last And since each day's the same day there's no longing for the past. But you have been so faithful so trusting and so true Though there were time you did some things you knew you shouldn't do. But you have been forgiven and now at last you're free So won't you take my hand and share eternity with me?" So when tomorrow starts without me don't think we're far apart For every time you think of me I'm right here.....inside your heart. ~ Author Unknown ~
