Memorials

Me and Mingo will cherish the memories we have of you and your family. Always, this is hard to understand, why so young, to be gone? We regret that we lost touch with you, only seeing each other at funerals. Its wrong, yet over and over, we still do it, "we should get together soon" we say and then it’s too
late. Rest in Peace my friend. your pain no longer there. we'll miss your smiling face. my prayers to your family who hurt so much. adios!

JANIE RIVAS, JULY 5, 2016

Daddy, You never said your leaving, You never said Goodbye. You were gone before I knew it, And only God knew why. A million times I'll need you, A million times I'm going to cry. If Love alone could have saved you, You never would have gone. In life I loved you dearly, In death I love you still. In my heart you hold a place, That noone could ever fill. It broke my heart to lose you, But you didn't go alone. For part of me went with you, The day God took you home. I Love you Daddy to the Moon and Back, To Infinity and Beyond, Always and Forever. Your Daughter Geniva
