We miss you Geoff my very hard working Brother, your face, your smile, your kindness, your cheerful spirit and your braveness. Our thoughts are with Rosalind and Nick and his family. It is a very sad time for us all. God bless you dear Geoff, Rest in Peace now away from all pain and sorrow. From your Everloving Sister Pat and Brother-in-Law Ed
To our lovely Uncle Geoff, a great man who has been there my whole life. We are so sad that you are no longer with us. But we have so many special memories of you in our minds and our hearts. You was always kind and would help your family in anyway. Nothing was too much trouble. I will never forget you at our wedding, you really enjoyed yourself and it was lovely to see. You danced the night away!! To one of the biggest West Ham supporters I know you truly loved football. We all will never forget you and the good times we all spent. Love you always Joanne, Charlie, Louisa and Amelia XXXX

Its not goodbye to Geoff its "Au Revoir" till we meet again. He was a brilliant brother-in-law and was thought more as a brother. We have had some fantastic times when we were all together, he was always kind and thoughtful in every way helping anyone who needed a hand and a very generous person who would give you his last penny. We will miss Geoff very much but he will always be in our hearts and minds, gone but never forgotten. We love him lots. God bless you always Geoff Love Rita and Brian

RITA AND BRIAN WISE, AUGUST 10, 2016

There are few people in life whom we make an instant connection with; but Geoff was one of those people for me. From the time I was introduced to him while he was attending a reinsurance conference in Newark, NJ, not the most salubrious locale in America, I knew he was a friend worth having. As in all things in our life here, the time has gone too quickly; but I will be forever grateful for knowing him along with the bonus of knowing his wonderful family.

BOB EDGEWORTH, AUGUST 4, 2016

So much has already been said about how wonderful, funny, kind and big hearted Geoff was. To me you will always be my adopted uncle Geoff who never treated me any differently than his own family. A little bit cheeky and always so funny (to the point you would always get me in trouble!) sending lots of love to all of you, sleep tight Geoff xxxxxx

VICTORIA CRISP, AUGUST 3, 2016
Dearest Geoff, we will miss you so very much. We have so many happy memories of spending time with both you and Ros in the UK and Texas. You were a great friend and always there for us to help in whatever way you could, especially in our attempts to move to Texas which, as you predicted, unfortunately didn’t happen. We can’t imagine how much you suffered with your pain but know that you fought a brave battle and dealt with it in your usual optimistic and positive way. We will never forget you Geoff and you will always be in our thoughts.

LORETTA J. JONES AND FAMILY, AUGUST 1, 2016

Dad, You have left a void in our lives that we cannot fill, I will miss you so much. You worked so hard to provide for your family and always put us first, even during tragic times. During your battle, I think we grew even closer and that is at least some consolation to me. Just like you have always put me first, it was time for me to do the same for you. You have taught me many lessons in life and your last one, courage in the face of adversity, will remain with me for the rest of my years. So much pain without complaining, you are a true hero. Your grandchildren will miss you but we will always remind them of the man you were. God Bless. Nick

I remember when we first met and I was working with you at Carvill, you were kind to me when I was so far from home. We became friends, business partners and eventually brothers. Even though we lived our lives apart, when we were together it was like we had never parted. I know that for at least a little while, I will not hear your voice, nor see your smile, except in my memories. Thank you for giving of yourself and for always treating both myself and
Deborah like family. You welcomed us into your life and this we will always cherish. We both appreciated you and will miss you very much. Thank your for allowing us to blend our lives for we will miss you our brother. Lovingly, Paul & Deb Soules

We had the privilege of meeting Geoff and Ros prior to them immigrating to the USA. The times we had together in the UK were most enjoyable, we found Geoff to be the most generous of people, a happy go lucky man nothing was too much trouble for him. In Ros I found a friend for life. Geoff will be sadly missed by his family and friends, may he RIP.
