Dear Biddick Family, I am so sorry to hear about the loss of your dear loved one, now and in the days to come you will need strength and comfort. The Bible describes God as a Father of tender mercies and the God of all comfort at 2 Corinthians 1:3,4. We have a wonderful promise at Revelation 21:4 God will wipe our tears away and death will be no more neither will mourning nor outcry nor pain be anymore. The former things have passed away. God can wipe our tears away and promises to end sickness, pain, and death here on our earth. You will be in my thoughts and prayers. Sincerely, Sherry

I will miss my friend. We met one another through Radiography school as the "two old ladies". We laughed often. Gerry was a sweet soul and her life should be celebrated. My love goes out to the entire family.

So sad to learn of Gerry's passing. We have such fond memories of our years as next door neighbors on Willowind. Gerry was always there and available to help anyone who needed it. We loved raising our children together, our times together by the pool while Allison, Danielle, Brian and Jonah swam for hours and appreciated so much her watching Allison after school and in the summers, helping with birthday parties, and sharing fun times over dinner, shopping together, taking the kids to skating and swimming lessons, or anywhere we could find activities. Gerry was a friend to everyone in the neighborhood. She loved her family, and was always excited when they would visit, especially her parents and sisters. We all were proud of Gerry when she

returned to college to study radiology technology and her dedication to school and her field, becoming a role model for others. I miss her and those special times. My heart goes out to Hugh, Danielle, Brian, Jonah and all the family during this time of sorrow. May, with time, your loving memories replace your heartbreak. Prayers for peace for each of you from Glenn and me. Much love,

My deepest sympathies for your loss. I am going to miss Gerri especially at family gatherings. She and I would have good talks and we always ended up laughing about some silly thing or another. My thoughts and prayers are with all of you.
