*Since I went to school with David all the way from middle school through college, I spent a fair amount of time at the Kennedy's in Plano. I remember Mr. Kennedy as so kind and loving to everyone especially the little ones as I had my daughter very young. Mr. and Mrs. Kennedy so enjoyed having her over and playing with her and loving on her when she was a baby. I know he will be sorely missed by the entire family and so many friends, but thankful that he is at peace and with the Lord. I wish peace for all of you in the wonderful memories you have of him. Love, Kathleen Macchio & family*
