October 24, 1955 - July 13, 2009

Harold "Scooter" Blackmon, age 53, of Plano, Texas, passed away on July 13, 2009. He was born on October 24, 1955 to Boyce and Naomi (Lazarine) Blackmon in Perryton, Texas. On December 3, 1983 he married Kelly Clanton in Dallas, Texas. Harold was a loving husband and daddy who loved his family and many friends. He enjoyed riding motorcycles, playing guitar and listening to his rock n' roll music. He was blessed with four more years in June of 2005 after being given the gift of life via an organ transplant. As a result, Harold became a faithful advocate of organ donation and encouraged all he knew to grant another person the same gift he received. He will be greatly missed but never forgotten. Harold is survived by his wife, Kelly Blackmon; daughters, Jayme and Lacey Blackmon; sisters, Marisa Blackmon and Genea Maines; brother, Dewey Blackmon and several other loving family members and friends. He was preceded in death by his parents. A celebration of life will be held at 2:00 p.m., Saturday, August 1, 2009 at Woodcreek Church, 3400 Renner Rd., Richardson, Texas. A memorial ride will begin at 1:00 p.m., August 1, 2009 at the Harley Davidson Store in Allen, Texas and proceed to the Woodcreek Church in Richardson, Texas.

Harold, you are going to be deeply missed in our family. You know we will help take care of your girls. We love you and it won't be the same without you here but the great memories are infinite! Til we meet again... Shell and Chapin

Scooter, you were always one of the biggest supporters of the local scene, and

always a friend to those when they needed one the most. I still remember the look on your face when you came to see us play for the first time and taking a chance on us. You will truly be missed my friend. "Bondstärkeres als Blut, Brüder bis das Ende"

Scooter was a great guy. Every time I saw him he was smiling. He had a cool bike and he had a lot of close friends. He will be missed.

For a short few years ridin' brought us together. We seen happy times and bad times together. Sure hate to see you go but I know you are in a better place now. Kelly will always have someone to go to when needs arise, just a phone call away and we'll be there, this I promise you. Scooter, I'm sure gonna miss your hugs and your smile (Elizabeth). You and Al up there pave the way for us to all ride together again. You will be missed horribly until we meet again. ABE and Elizabeth

PAULA RENEE WORTHY, JULY 25, 2009

Scooter was a great friend to have. He was always in a good mood, no matter how much bad stuff was coming his way. He always seemed the happiest when his family was gathered 'round him, and he drew strength from them. He also loved to ride his Harley. Seems like he was always working on it, trying to make it run better or look better, but when it was time to ride, he was on it! Ride on, good friend.
