Memorials

Harold was such a great man! He always had solid guidance and a sense of humor-- I fondly remember coming home during college and visiting with both

he & Ima-- you have been blessed by such parents and while the final passing of Harold is saddening, I know you have the faith to know that he is healed and with all those gone before him. I am so fortunate to have known him and blessed to have such a great example of how to treat others in life. My prayers for all of you to find peace and strength though this time in your life.

Prayerfully,

DAN DOOLEY, SEPTEMBER 17, 2021

Your dad always treated me so warmly from the first time I visited while in college to the last visit four years ago. He was great at asking questions and taking a personal interest in me, and he was very affirming of me. Meanwhile your mom was quieter, but with a big, caring heart. She had such a beautiful, sweet spirit. The last time we were in TX, your dad gave us water bottles and a pitcher in case we were in a place without pure water--we have used the bottles! They've come in very handy in Spain with our hiking. I just appreciated his thoughtfulness and desire to care. I am SO sorry that I did not call him before he passed. I didn't realize he had so little time left--it all happened so quickly. But know that I have very good memories of him. Wish I could be there on Friday and Saturday to join you. Sending hugs!
