Memorials

Dear Anne and Family, Milt loved the gift of life and fought valiantly with your strong support to live more years with us than was expected. I am so glad that

he did not linger long in severe pain. We know that Milt would want us to be strong and to continue to appreciate God's gift of life by enjoying and using well whatever time we have left. Your greatest treasure is your loving family. God bless you all. Call on your friends for any help we may be able to give. That is what friends are for. Bill

Ann, I am so sorry for your loss and regret that I will not be able to attend either service. I have to take care of Jake Friday night and don't want to bring him. He still hasn't got over his grandmother's passing and I will be in California on Saturday. But, my thoughts and prayers will be with you. Love, Eleanor

Dear Anne, We were saddened today to read of the passing of your beloved Milton. He put up a good fight with you beside him all the way. We have memories of the times we shared with both of you. Anne, our tears fall silently, our hearts grieve quietly but God hears our cries and shares our sorrow. God Bless, Stella and Lew
