November 22, 1949 - July 5, 2019

Henry Carlisle Campbell 'Carlisle,' a lifelong resident of West Point, Mississippi, passed away on July 5, 2019, in McKinney, Texas, at the age of 69. He was born on November 22, 1949, to Frank Critz Campbell, Sr. and LaLouise Campbell. Carlisle loved his town and his large family and many friends that he grew up with there. He lived with a joyful spirit and love for life that was contagious and brightened any room he entered with his large and memorable laugh.

Carlisle was a graduate of West Point High School where he was President of the Student Body his senior year. He graduated with a Bachelor of Science from Mississippi State University where he was a member of the Sigma Chi Fraternity. While in college, he met the love of his life, Beverly Arrington Campbell, his beloved wife of 46 years. Carlisle was a devoted father and grandfather, known affectionately as 'Papa.' He never missed an opportunity to let his three children and six grandchildren know how much he loved them and how proud he was of them.

He loved cheering for his Mississippi State Bulldogs. Despite being born and raised in a small southern town Carlisle was also a devoted fan of the New York Yankees. He often reminisced about the fond memories he had with his father watching the Yankees play.

Until his retirement, Carlisle woke up every morning with a smile on his face, ready to go to work. He was President and co-owner of BACCO Materials, Inc., following in his father's and brother's footsteps of running a gravel business. Carlisle was a former President of the Mississippi Concrete Association.

He was a lifelong member of the First United Methodist Church in West Point, Mississippi, where he served the church in numerous leadership positions. Carlisle also loved to sing and was a member of First United Methodist Church Chancel Choir for 33 years as well as a member of the Disciple Six men's singing group.

Carlisle was also a dedicated supporter of Partners in Public Schools in West Point.

The Carlisle Family is in our prayers.

MARY AND SAM PACE, JULY 14, 2019

Carlisle was our neighbor growing up and a fellow classmate. I always respected him for his dedication to his family, his community, his church and his friends. I mourn his loss and know he will be missed by many. My condolences to his wife, children and extended family.

BETSY BARRETT, JULY 12, 2019

Carlisle was a younger (than I) Sigma Chi, and I enjoyed making connections with him. Our parents were friends initially during the war when my father was stationed in West Point. Over the years their friendship lasted—my mother would talk with and about LaLouise. So sorry to hear of Carlisle's passing. Wonderful family, and I am sure Carlisle 's kids and grandkids will carry on those special traits.

BARBARA ANDERSON MITCHELL, JULY 10, 2019

My heart is broken with the news of my fellow classmate's passing. Carlisle was always such a friendly and outgoing person, who never met a stranger. His family has wonderful memories to cherish in the years to come. He leaves such a precious legacy for his children, grandchildren, and his sweet Beverly who he loved so much. My prayers of sympathy and peace to you in the difficult days ahead,

SUSANNE ALLEN THOMAS, JULY 10, 2019

I knew Carlisle Campbell both as a native of West Point and as a fraternity brother. I lost contact with him him (and others in West Point) when I moved away to join the Army in 1969. I always remember Carlisle and his family from when I lived in West Point and have never forgotten him. I wish to offer my condolences to the family.
