In Memory of My Dad God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best. I will miss my dad dearly and will always love him. Love you Dad Kristy

My brother will be missed terribly by me. He was a wonderful person and a great friend to me. I know that he is with our loved ones that went before and now they have another domino player. Ray had the best sense of humor that I know I will miss. I love him very much and hope that some day I will see him again.
