Your light was always shining on everyone who was with you! Through kindness and an open heart, we all smiled along with you. Thank you for joining in my happiness with my first baby and the piggy bank he still loves a dozen years later. I love you sweet Hill! ~ Love, Liz

I am shocked and deeply saddened by this news. I was a year older than Hillary at REL and I pledged her at UT as a Tri Delt and had the wonderful privilege of being her big sister. There are no words. Her beautiful smile and kind heart always lit up a room and she will be missed. I loved Hillary with all my heart. I'm so very sorry for your family's loss.

RHONDA PYRON OVERBERGEN , JANUARY 31, 2020

My heart breaks that we put off that dinner we said we were going to schedule. I am going to miss that contagious laugh and crazy fun sense of humor!!! There aren't a lot of HS memories without Hillary. I don't think she really knew how much she was loved but she always brightened my day and those around us. I pray God grants peace for Hoyt and the entire Utay Family. Words fall short at times like this but know your Hillary was loved and adored by so many of us lucky to call her friend.

MARLA (HUGHES) REEDER, JANUARY 30, 2020

I still remember the first day Hillary arrived at Hubbard Middle School bearing an unforgettable smile, laugh and personality. Hillary will be missed by many.

Sending encouragement to all her family and friends.
