Our thoughts and prayers go out to the family of Mr. & Mrs. Clarence Buhler. We enjoyed almost every morning getting to visit and talk with them as they would come into The Colony Public Library and use the computers and picked up books. They will be missed by us all here at the library. I remember Mr. Buhler recovering from surgery and insisting on the coming to the library and Mrs. Buhler telling me to be sure to tell him it was good to see him but he needed to take it easy. She always took care of him. What a team! We were all blessed to know them both.
