LOREAL HOLMES, FEBRUARY 2, 2014

I met Jason many years ago. I was his X-ray tech during a moto cross accident. Jason and I became business friends after that. Jason was a very humble man from my perspective. He treated everyone equal. He thought of me as a older friend because there was an age difference of 20 plus years. Jason was a comfort to be around. Those who knew him were blessed by his company! God Bless You Jason! Heaven is a brighter place with you there!
