Memorials

I was with Jerry during his final hours, singing "Zippidy Doo Da" and "Hit the Road, Jack". We were Buckeye Buddies and everytime I saw him, we did the "O-H---I-O" cheer. He was a happy man that morning...perhaps he knew that Heaven wasn't far away. I'll miss Jerry...

Dear Jerry, I am so saddened to hear of your passing, but I know you are in a better place now. We have known each-other for 53 years and our friendship has lasted throughout all these years. I have so many good memories of fun I

have had with you and I wouldn't trade them for anything. May you rest in peace and I look forward to the day we meet again. I will pray for your soul every day. I love you! Sherry

To the friends and family of Jerry: So sorry for this extreme loss. Jerry was my neighbor here in Newark. I used to love hearing him come up the street on his motorcycle; I knew then that he was home safe. Now he has gone to another safe home, and hopefully riding in the clouds. May you all find peace and comfort in this time of sorrow. Thoughts and prayers! God Bless, Susan
