Memorials

I been trying to get in contact for years with Kevin. I want to give my condolences. If the family needs anything I am here. I lost touch with Kevin and was hoping that he would walk me. I feel he was most influential in my life. I wanted to say thank you for everything. I hope that he can one day reach out and get to know his grandson that is named after him. I am so sorry to hear

about Johnny, I really liked him and he was always so accepting. Again, I send my condolences. If anything is needed please let me know.
