# Memorials

*We loved Judy so much. This is so heartbreaking. Our families celebrated holidays, birthdays and any other times we could think of. I cannot imagine the Thomas family and especially Lindsay's grief from loosing her Dad, Uncle and now her Mother in 9 months. Judy and I have talked numerous times every week since Ted and Jerry (Squire) died just a week apart last June. It's been a horrendous year. May all three of them RIPARADISE and I plan to see them all again in Heaven!*

*My children thoroughly fell in love with Mrs Tiemann while students at Shepard Elementary. They loved her sense of humor and love for teaching. I feel lucky that my kids began their education as her students. God bless her and her family. I know there is a special place in Heaven for her.*

*Mrs. Tiemann, you influenced a great number of students during your teaching years. None more so than our own three children, John, Jenny & Elizabeth. How fortunate they were to be under your guidance in such formative years. Thank you for all you have done to help hundreds of students, but especially to three that have always remembered you. May you rest in peace, with no lessons to plan, papers to grade, running records due or bulletin boards to put*

*up. With love.*

**PENNY & BILL GREGO, APRIL 19, 2021**

*I had known Judy since our college days together at Western Kentucky State College, now WKU. Her first husband, Joe Wayne Copas, and her second husband, Ted Tiemann, were both fraternity brothers of mine at Western. Judy had a great personality & was like by all. Rest in Peace Ole Friend and God Bless.*
