Julie and I were co-workers at Cartus and I will always remember Julie for her beautiful smile and encouraging words. Julie reminded me of a classy retired actress, her make up was always so nice and she always looked very pretty. Julie would always email me to remind me of an over due pot luck at Cartus. God has called his angel home to watch over us. To her family, Be Blessed in knowing that she is in good hands with God.

TINA HARRISON, JULY 31, 2006

I first met Julie in 1992??? sometime after the birth of our (Julie & I grandson's Justin & Austin & Jessica? I knew I liked her right away!!! I always talked to Julie by email, phone or directly at her house or mine or the get togethers at her & her husband Steve's home or her son Ryan's & my daughter Tammy house. I always looked forward to seeing Julie!!! Which we all lived very close in Allen, TX. She made really GREAT food & deserts & I always looked forward to seeing & visiting with her!!! She always helped me out with my computer on how to run it and how to fix it. She never said no. She would come over to my house and help me out or I would go to her house...always! I was really sick at a hospital for over 3 months & she was the only one who wrote me a long long letter about everything going on and our grandkids & her family. I always missed her very much when she was out of town for the get together's at Ryan & Tammy's house with our 3 grandkids. I have been to her & Steves home many times and always enjoy the time spent with them. I always enjoy seeing & knowing all the wonderful things she made from crafts, paintings & flowers. I never seen Julie unhappy, she was always a happy person...even in her last days that I seen her. Steve, you have been deeply blessed to have such a wonderful loving caring wife! Ryan, Chad, Lori & Debbie you all have been blessed to have such a wonderful sweet loving caring mother who cared so much for all of you! She always talked about all of her children & all of the grandchildren too!!! She loved all of you the same! Deeply! My heart goes out to you all in this deep time of sorrow! I love you all, each and everyone of you!!! Love Always, Sharon Fate. Here is a poem for

everyone to read...Dedicated in loving memory of Julie Ann Williams A
GOLDEN HEART STOPPED BEATING A golden heart stopped beating, Two
smiling eyes were laid to rest, GOD broke our hearts to prove to us He only
wants our best. You wished no one farewell, Nor even say goodbye. You were
gone before we knew it, And only GOD knows why. A thousand prayers won't
bring you back, We know because we tried Neither will a million tears, We
know because we cried. It's lonely here without you, Julie We miss you more
each day. For life is not the same, Since you have gone away. To love
someone so deeply and then to make us part, That is the greatest trial of all to
the human heart. If tears could build a stairway, And heartache make a lane,
We'd walk the path to heaven, Julie Just to bring you back again. The face we
love is missing, The voice we love is still, A place is vacant in our hearts, That
nothing seems to fill. They say that memories are Golden, Well, maybe this is
true, We never wanted memories, We only wanted you, Julie Our family circle
is broken, And the tears we cannot hide, But as GOD calls us one by one,
We'll be there at your side. It is my hope that this poem will touch everyone
who reads it just as she touched their hearts and lives and mine. Love always
in heart & soul, Sharon Fate...Granny to Justin, Austin & Jessica Crosswhite.

When I think of my friend, Julie, I think of her sweet smile that greeted me
each morning. What a way to start the day! Julie and I were both "early birds"
at Cendant Mobility. We thoroughly enjoyed the quietness at work before our
workday started, before everyone arrived. We had begun to email each other
recently. I relocated to Southern California and Julie was excited to know what
I was doing while here. I shared with her a few pics of my favorite spots. She
was genuinely happy for me and wanted me to keep her posted on my
adventures in Cally. I promised that I would. My thoughts and prayers are with
her family and friends. Heaven just got another angel!!

Dear Lori, Debbie, Ryan and Chad; Sorry to hear about the passing of your
mother; someone special to each of you. All mothers should live to be 100

years old I think but God knows better than I. Trust your heavenly Father to bring you through this valley . Remember the mountaintops you experienced with your loved ones and cherish the times you have today with your families. Honor your mother with the lives you live in the days ahead. God loves you and will comfort your hearts. Sherman

STEPHEN GRANT SHARUM, JULY 27, 2006

Dear Lori, Debbie, Ryan, & Chad: I just wanted to let you know that my prayers are with you at this very difficult time in your life. It is very hard to lose your mother, but we know that God can give peace and comfort in our time of greatest sorrow. Just wanted you to know that you are loved and I wish I could be there speak a word of encouragement, but maybe I will get to see you before too long. I would like to share a scripture with you that I read many times after cancer took my mother. 2Corinthians 5: 1 --- Now we know that if the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands. God bless you all, Mary Whiteman (Sharum)

BETSY PUSTEJOVSKY, JULY 27, 2006

I remember the first day that I met Julie. She had just started working @ Cendant Mobility and came into the lunch room and we asked her to join us at our table for lunch and from then on we were all great lunch buddies. Sometimes, we laughed so much and loud that the managers would come shut the door. We always had great conversation about American Idol and she was not happy when Chris got kicked off. I loved Julie and my heart aches that we lost her so young. I feel like I know Steve and all her children because she talked so much about all of you. You were all loved very much and we will all miss her greatly. God will help you through this. Remember, he had a son that died also and he knows the pain that you feel but as time goes on laughter will fill your house again. Phyllis

EDER N SANTANA, JULY 26, 2006

It is hard to believe that Aunt Julie is gone. She was a beautiful woman inside and out. I spent many wonderful days and nights with her throughout my childhood. She was always a gracious and loving hostess, patiently "putting up with" all of us kids in and out of her house! I fondly remember her helping me learn to ride a bicycle while staying with you all at your house over by Mark Twain Elementary. She held on to the back of the bike and said, "Now just start peddling--keep going, you can do it" because I wanted to ride bikes so bad with my "big cousins" and their neighborhood friends. There are many other memories I enjoy. She was one of the most patient women I have ever known. In more recent years, I have enjoyed emailing her and reading her stories about her dogs, jobs, and grandkids. She certainly loved her family. I love you all and want you to know I am with you in spirit and through prayer. Hugs and kisses, Cousin Jill

JILL LADAWN RABY, JULY 26, 2006

Julie was a wonderful Aunt. I have very fond memories of her from when I was younger. I know she will be missed very much. It is my prayer that God will give Steve, Lori, Debbie, Ryan, Chad & families strength during this time and especially in the day's ahead. My Love to you all, Keli

KELI R RILEY, JULY 25, 2006

I first day I met Julie I instantly knew I liked her and would be good friends! She had a super work ethic and really appreciated getting hired. She reminded me of my mother-in-law. She was a classy lady and had the same personality as her (she also had p.cancer). I enjoyed her talking about her family at our lunch break. She loved her husband and talked about him every day. Her family was most important to her. I will always remember her for her calm manner and wonderful personality! I told her that I would love her forever!

CHERYL LORRAINE MAYNARD, JULY 25, 2006

Julie was a wonderful, kind-hearted person who will be dearly missed by her 'work family' at Cartus. Her attitude in the face of adversity was inspirational. To Steve and the entire family, please know that you are in our thoughts and prayers. Sincerely, Doug & Heather Gleason

DOUG GLEASON, JULY 25, 2006

Julie was a Beautiful Person, I am so blessed to have worked with her. She became one of my best friends and I will hold such wonderful memories in my heart. We laughed together and we also cried together, but that is what friends do. She talked so lovingly of her Husband, children and grandchildren that I feel like I know each of you. I will always hold a special place in my heart for Julie - she will not be forgotten. With Much Love and Sympathy, Mina
