Memorials

To the family, my heartfelt condolences for your loss. Please find comfort in the knowledge that God promises to end all suffering. Before long, God will wipe out every tear from our eyes, and "death will be no more, neither will

mourning nor outcry nor pain be anymore. The former things (will) have passed away.”(Rev. 21:1-5). May this promise from God give you comfort now and a real hope for the future. My deepest sympathy.

I worked with June when she was a dispatcher for the Allen Police and Fire Departments in the 1980's. She was very professional and fun to work with.

JOHNNY THOMASON, FEBRUARY 3, 2020

It has been our great honor that you trusted & felt comforted by knowing your wishes would always be respected & that we would do our best to make you FEEL our love everyday. Thank you for the gift of allowing us to help you through the ups & downs over the last 14months. I'm grateful you had more ups than downs. I'm also glad that if you had to leave us that you did safe & warm in your own bed & from no outside intervention. Aunt June, I've loved you since I was 11years old—almost four decades. I know that you & I, Trixie & George all felt like we were really aunt & nieces & nephew even though the bloodlines may have said different. The LOVElines couldn't have been stronger. We all love & miss you very much. I loved greeting you every morning & wishing you sweet dreams every night. Your spunk & feisty personality makes this house feel so EMPTY. We just can't imagine a world without you in it. We are happy for you but very sad for us. You will never be forgotten & nothing will ever be the same without you. Our deepest condolences to every family member & friend that love & miss you. May God bless, protect, & comfort them the way that only HE can. Love, Tiffany, Trixie, & George
