Memorials

Beverly, remember when I first started at South Jefferson Church you were the one that greeted me with such love. When I would come to church you were the face I looked for as you had the brightest smile. I love you and am so very sorry for you and your family, My prayers are with y'all and will continue to be.

LORETTA SOUTHERLAND, JUNE 27, 2016

Tim and Carly I extend my heartfelt condolences and prayers for you during this most difficult time.

JAY HIDALGO, JUNE 26, 2016

Tim and Carly, our hearts are saddened as we think of you this afternoon. We think back to those years long ago when all of you kids (You and Kathy, Karen, Chris, Cissy, Stephanie, Michael, Thomas, and so many more, were such good friends and learning to serve the Lord at SJBC and CBC. We remember that Kathy always had a smile on her face. Carly, I know that you do not remember me. When you were just a little girl and your mom and Dad came to visit in Mt. Pleasant for the weekend, you came to Calvary Baptist Church and you were in my SS Class and Children's Church Class. You were always such a sweet, very well behaved young lady and you were so smart . Those are all good things taught to you by your mom and dad. Tim we cannot know what you feel, but I know it is comforting to know that she is safe in the arms of our Lord. We are praying for ya'll. Betty

I am so sorry to hear of Kathy's death. She was such a wonderful person and I enjoyed my visits with her at work. I have known Kathy from FFSS for many years. Always a smile and kind word to share. I will miss seeing her and

visiting with her. My thoughts and prayers are with the family.

ROBERT CHURCHILL, JUNE 25, 2016

Tim, There are no words to describe how sorry I am for your loss of your beautiful wife. Somehow.....somehow.....I hope you are able to find peace. I know you have tremendous faith and I am sure that is helping you and Carly now. She is such a strong young woman, I know you are so proud of her. I do know from the LONG line at the visitation how much you and your family are loved and you will have a great support group, and that has to be somewhat comforting. However, if you ever want to sit down and just have a chat with an old friend, you know how to reach me..... When all of this settles a bit, let's have lunch, you, Kathy T and me. Please take care of yourself and of course you know, if there is anything at all that I can do for you, please don't hesitate to ask. Jodi

MARY ELLEN CLOWER, JUNE 23, 2016

Kathy - There are no words to express the true loss and the love that we have for you! We have been a part of your life since you started dating Tim in the 1980's. Like Dwayne and I, you and Tim were high school sweethearts and soul-mates. We have loved all the years of family get-togethers, laughs, and love shared. There will be a void in our hearts and lives that will never be filled. You always knew the right things to say. You have been not only a great sister-in-law but a best friend and like the sister I never had. We will think of you everyday and look forward to the time when we can all be together again. We promise to love and cherish your family in your absence.

CINDY (BOOBAR) & DWAYNE ROSEWELL, JUNE 23, 2016

My sweet twin friend. I will miss you so much! I am so thankful for the time God allowed me to have you in my life. You were a joy and blessing to all you

came across. You passed on so much of that joy and love to Carly. She is like you in many ways. Good job momma. Rejoice with your Savior and dance with Karen on streets of gold! And someday soon I will see you again.....

LYTRECIA STOUT, JUNE 23, 2016

Your time on this Earth was cut far to short. But the mark you left is huge. You lived your life as an example to all of us. You will be missed but never forgotten. Heaven has another Angel.

MYSTI HALE, JUNE 23, 2016

Dear Tim and family: Words cannot express the sadness I feel for the tragic loss of your wife and sister-in-law. Even though I did not know your wife, I recall working with you in Fossil Generating at TXU. I worked as the secretary to Frank Meyers. Although many years have passed since then, one does not forget working with such a fine person as yourself. God Bless and guide you and your family.

JOYCE FARQUHAR, JUNE 23, 2016

So Sorry for your loss! Kathy will be missed by everyone! Praying for all the family.

KRISTI ABERNATHY TOSH, JUNE 23, 2016

My sweet friend. I hope you are singing in the Angels band just as loud as you can! There will forever be a void in my life without you. I am thankful that God promises me that I will see you again. So until then... Dance on streets of gold!!! I love you and save a place for me!

LYRECIA STOUT, JUNE 23, 2016

Mrs. Boobar, I will always remember your selfless heart and passion for serving others. Your ability and will to help those in your community was truly remarkable. So many will miss you, but we are so thankful for the years we were able to spend with you in the National Charity League of Plano.

SUSAN COLLINS GREEK, JUNE 23, 2016

Prayers. So sorry

BELVA SARGENT , JUNE 23, 2016

Carly, I will always remember how compassionate and loving your mother was. When she walked with me for graduation practice because my parents did not want to come, it really meant the world to me and made me feel loved. She had such a beautiful loving heart that reflected Christ. I remember that day often because she quickly became a roll model for me. I hope one day that I can become a great mother just as she was and show everyone as much love as she did. Patrick and I have been praying for you and your family. Our hearts are very heavy but I know that heaven gained a beautiful angel.

BRITTNEY BOYD & PATRICK MURRAY, JUNE 23, 2016

I love you so much aunt Kathy. You will be dearly missed. All the memories will never be forgotten. You're my angel watching over me. ??

MEGAN ROSEWELL , JUNE 23, 2016

Rest in peace Kathy. You were so very adored and there will be so many people in line to help care for Tim and Carly. What a faithful servant...you will definitely be missed.

HOLLY JAYROE, JUNE 23, 2016

Kathy is one of the most special and unique people I have ever met. I have only known her for about three years, but I promise you it was not long enough. I have told my wife, Carissa, 100 times before any of this happened, that I cannot believe how lucky I am to get to work with her for the next 20 years of my life. Her specialness is hard to explain because it was so rare. Tim and Carly, and all of Kathy and Karen's family, our thoughts and prayers are with you and will remain with you. God Bless, Mike Gavett
