Memorials

I am very sad to hear about Ken. He was always a pleasure to work with and he always went that extra mile with a smile. My thoughts and prayers go out to the family.

KIMBERLY ANDERSON, JULY 31, 2006

Kenny was my soul mate. For 32 years, through good and bad times, we made it. I must admit, I do feel cheated by the short time I was allowed to be with Kenny. All of this is still a little unbelievable. I just can't imagine my life without him. I thank all of you who have offered your condolences. I have felt the

power of your prayers over the past few days and I can't tell you how much appreciate that. We will all remember Kenny and I will always love him.

SONJA BOLES, JULY 29, 2006

My experience in working with Ken these past few years has been a good and helpful one. Ken was always willing to take time to assist me with any issue I brought to him. In talking with him I could tell his love for his family was endless. My extreme and heartfelt thoughts go to his family in this time of loss.

MICHELLE BARTON OESTREICH, JULY 26, 2006

I'll always remember Ken as a kind and happy man. He walked around the office with a smile on his face and was friendly towards everyone. I had the opportunity to once work closely with Ken on a project and found him to be so thorough and accurate in his programming skills while always maintaining a pleasant attitude. He will be greatly missed by his Unisource friends. Our prayers go out to his family.

KAREN MCCREADY, JULY 26, 2006

For over 3/4 of my life, Kenny was part of my life as my brother-in-law. We played tennis, volleyball, fished, went to dinner, and spent a lot of wonderful family time together and I will miss that a lot. Kenny was the "brother" I never had. He raised 2 kids who turned out to be amazing adults he should be very proud of. He was the most intelligent and witty person I ever knew. I consider Kenny a valuable addition to our family and I not only lost a friend, I lost a brother. May peace be with you brother. Although I never told you this, I do love you

DAVID TILLEY, JULY 26, 2006

Ken has been more than a co-worker, but also a friend. During the past 3 years of working together, even being in separate cities (Minneapolis), we always enjoyed a good laugh especially when times were tough. Professionally, Ken will be missed by Unisource, but personally myself and many others will miss the friendship and laughter that he provided everyday. I am saddened for your loss and my thoughts and prayers go out to Ken's entire family. God Bless

PETE ABELL, JULY 25, 2006

I was very sorry to hear of Ken's passing. I never had the chance to work with Ken very much at Unisource. However, I did spend a fair amount of time with him outside of the office, most recently he attended my going away party when I left Unisource. I appreciated that very much. Ken and I had some amazing discussions, he was a very friendly guy. We shared a lot of laughs together. I could tell he was an intelligent person who never seemed to get riled up, very easy going. I'll always remember Ken as a guy with lots of funny jokes and comments. I will definitely miss his company. My condolences. I will keep the

family in my prayers.

STEVE J FATULA, JULY 25, 2006

I was privileged to meet Kenny when his sister Paula married my brother. I shall remember his uncommon sense of humor, whimsical smile, and quick wit. Kenny has left a fond memory on my heart. My condolences to all those who loved him.

J'NET CHAMBERS, JULY 25, 2006

Ken took great personal pride in his work. He was steady, knowledgeable, helpful to others, and consistently cheerful regardless of the circumstances. It has been a true privilege to work with Ken the past three years and to enjoy his camaraderie. We will miss him tremendously at Unisource IT.

JOHN BUTZOW, JULY 25, 2006

Sonja, my heart goes out to you and your family. May God wrap his love around you in this terrible time.

NANCY TILLEY PELTON, JULY 25, 2006

I will always remember him at work. Whenever you saw Ken you knew Kevin Knight was right beside him. They were always outside talking and he was always smiling.
