CATHY J GRIFFIN, JUNE 8, 2006

*I've had the pleasure of working with Kevin during the past 10 years. I'll never forget when he worked a major accident that I was involved in. He was very kind and went the extra mile to make sure I was taken care of and that my family was contacted. I'll always remember him talking to me while I was trapped inside of my car during that accident. We even had a few laughs. I live in the beat (C5) that Kevin worked and he was sure to keep an extra close eye out on my house for me. My thoughts and prayers go out to his family and friends. Kevin will be deeply missed by his Law Enforcement Family.*
