# Memorials

*Ours was not an everyday common friendship but it was a strong one and I miss her dearly. I know she is with God and that makes my heart happy. But I miss her and most especially my heart aches for her daughter and her grandchildren who were the very closest to her. I just now saw this for the first time. I suppose she's thinking about me and that makes me feel good. I'll see you again my dear old friend! I pray daily, more than once, for all of us who loved her so she left behind. Have fun up there celebrating Christmas with Jesus! I love you!*
