Liam's impact on our lives will remain in our hearts forever. Even in quick interactions, Liam emitted such contagious, positive energy. Thank you for letting my family and I into your home to watch over Iris and Iva, where we

witnessed the great job y'all have done in raising them.

BRENDA PESINA, MAY 9, 2019

My dear friend Casey, Our condolences go out to you and your beautiful daughters, family and friends. It's been years that we've seen each other but, I still remember meeting Liam the first time at WIC. He was a great guy and very down to earth.

BRENDA, GAO, ELLIE SANCHEZ , MAY 9, 2019

I'm gonna miss you bud, I've always looked up to you because of how much I admired you inside but even more outside of the ring, your example of how to be humble and level headed even when dealing with stressful situations will stick with me forever, I wish I would have gotten to see you more the last few years but I'll never forget you man. Love ya brother.

DAVID BARRINGER, MAY 8, 2019

For the Lorentzson family, I would like to send my most heartfelt condolences. In this life, to be blessed with Liam was such a privilege. He has left a legacy in two little ladies and with his wife of whom I know he loved and cared for so very much. Always know you are blessed with so many great memories and love. Liam completed his assigned tasks and I know God has acknowledged that his job was 'well done' before he was called home. Always stay focused, always love and always, always keep those memories close to your heart because this is where you will find comfort.

CHANDRA WILLIS-THOMPSON , MAY 8, 2019

Words can't say enough, you will always be loved as a brother and never forgotten. Casey and your girls will be looked after by us all.

GREG BLAKELY, MAY 8, 2019

Hey Jason, I didn't know your Brother! But I'm sure he was just as Great as you!!! My Condolences. And I love you and God Bless your Family.

TASHA GREEN, MAY 8, 2019

I think that there is some validity in accepting that a part of us went with Liam and a part of him stayed with us. Liam will be remembered for all of his kindness and the love he had for his family. I never saw Liam without a smile

on his face and I will miss that smile. "Death is but crossing the world, as friends do the seas; they live in one another still." William Penn
