VICTORIA, NOVEMBER 28, 2020

A true friend - Lou will be missed by all who had the good fortune to know him. Lou was intelligent - witty - charming and had a captivating smile that always shined. I met Lou in Plano Tx where our homes backed up to each other in 1983. Friends for 37 yeas and a great friendship at that. A strong but gentle Dad and Husband, Lou was always there to listen and offer advice and make you smile deep inside. He was my Best Man at my wedding in Santa Fe New Mexico and although I left Texas a few years later we met often in person in Tx - NYC - Florida. I miss him and will always miss him. All my love and blessings to Lori, Stacy, Joe and their respective families. And of course to Doreen as well. May you rest in piece my dear friend Lou... Charles

We at Tom Thumb Pharmacy had great pleasure of serving Lou for over 14 years. He was a man bigger than life. Always a smile even when you knew he didn't feel well. There are so many words that you can use to describe Lou, but none really does him justice. We will miss him more than words can say.
