"Get over it" was the inside joke between us. And it was actually a valuable lesson you taught to me just recently, in your own witty- yet smart way. Thank you for all the years we spent each holiday together as a big famiky, all the summers swimming, the animal adventures, the bahama cruise, the intelect you shared and the commitment you instilled into your family, friends & life enjoyment. Im grateful that i was able to spend the few weeks being your roommate a couple momths ago, i truly enjoyed being with you and connecting in our own way. Youll be missed but never forgotten. Love you, grama. Xoxo
