Memorials

"Let the children come to me, and do not hinder them, for to such belongs the kingdom of God." Luke 8:16 Lucas was the light in our world. 2020 brought us so much division, fear and strife then Lucas came into our world and brought us hope, love and light. I do not profess to understand the workings of the

world and God, but our little angel is now in a safer, happier heaven. I will miss him every day until we can all be together again. Grandma loves you Lucas.
