Memorials

Jan and I were so sorry to hear this. We have known Marcy and Lyn since the 70s and have spent many memorable times with them. Rest in peace Marcy with God's arms around you. Lyn and your beautiful children must know Marcy is in a wonderful place.

JAN AND MARTIN CLOIN, DECEMBER 10, 2018

I was very saddened to hear of Marcy's passing. I was out of town at the time. The very memory of Marcy gives me a smile on my face. She always had a cheerful and loving attitude at the office here. She would usually give me a suggestion for a valentine for my wife after I told her one time what I got for my wife, that she thought was just not good enough. So yes, I would go out and get what Marcy suggested! She was a sweet lady who will be missed very much. The loving memory of Marcy will always be in my mind.

WILSON HOWELL, SEPTEMBER 17, 2018

Mrs. Marcy, You meant so much to me and my family, you were ALWAYS there for me as I became the man I am today. Your inspiration and continued support were a shining light in my life. You were there for me and Karen and our three children being born, their baptisms, never missed a birthday celebration and countless other events. Karen and I both know you "have something going on" up in Heaven! Please continue to watch over all of us. We will miss you dearly and I don't know what I'm going to do without that secret stash of peanut butter cup cookies you always hid away for me and my family during Christmas! The thing that cheers me up these days is knowing that you are no longer in pain and are at peace with the Lord. We all love you and I know you knew that, don't worry about a thing, we have it under control down here! Guion Andrew Bennett and Family
