Memorials

Dear John, Ana, Justine, Frank and all of the grandchildren, My deepest condolences to you on the passing of Rita. I observed many times what a wonderful mother and grandmother she was. She was a good friend, and always made me feel extremely welcome whenever I had the pleasure of her company. She also became a friend to my late mother. I know that you will miss Rita greatly, but our Christian faith will sustain us in this time of grieving.

I fondly remember Rita as an active member of our Neighborhood 22 social programs in Frisco Lakes. We both moved onto the same street at the same time. I also used to always enjoy talking to Rita on my walks with my dog down our street; I would cross the street to converse with her whenever I saw her outside. May Rita rest in peace.

Ringhofer Family; Please accept my sincere sympathy of Rita's passing. I worked with her in Wood Dale when she ran for office. What a "go getter"! She was a great example to me to get out there and make a difference, no matter the odds. I have thought about her for years now, referring back to her teachings, and implementing them by her example. She was quite a woman. My prayers are with you . Rest in peace, Rita.

What a joy to have met this sweet lady! I had the pleasure through my first

visit with the Homebound Ministry of St. Martin de Porres when Rita came happily bursting into our prayer service a bit late! I didn't see her often but she was always smiling and full of stories. As I listened to her service today and the remembrance afterwards it confirmed to me what a special lady she was and how lucky y'all were to have had her in your lives for so long. Rest in Peace, Rita.

Rita was a very special person, who had alot of energy, was very friendly and always had a smile on her face. My mother and I used to enjoy visiting with Rita after Mass on Sunday, Rita always spoke very fondly and lovingly of her family. I am glad our paths crossed.

I met Rita a few years ago doing her hair and I must say she had more energy and life in her than most people half her age. :) She always had a story to tell and kept me on my toes!! blessings to the family
